#### Santa Monica Medical Offices

Located on the corner of 10th Street and Broadway Avenue, Kaiser Permanente's Santa Monica Medical Offices will bring convenient access to high-quality primary care services for members who live and work in the Santa Monica area.

The Santa Monica Medical Offices will occupy the second floor of the Tenth Street Medical Building. Telemedicine, cutting-edge health information technology, and interactive patient rooms are a few of the features we have proposed to include in this facility, to help meet the needs of our members in Santa Monica.

The new medical offices will be a part of the West Los Angeles Medical Center service area, which includes more than 220,000 members. The Santa Monica Medical Offices are projected to serve more than 20,000 members in this neighborhood.

#### Comprehensive Services\* \*

Proposed services for the Santa Monica Medical Offices include:

- Primary care
- Pediatrics
- Pharmacy
- Laboratory
- Rotating Specialists, including dermatology and podiatry.
- Nurse clinic

*\*\*These services are proposed and have the potential to be altered or removed*
